# TECHNOLOGY FOR TENNIS

For the past 90 years, Har-Tru has been a steady and important part of the tennis world. We take pride in engineering and manufacturing innovative solutions for the court. Steadily evolving our products, surfaces, irrigation systems, and accessories, our goal is to help you create the best courts possible.

We've put our inventive thinking into high gear to bring you products of the future for tennis. Can technology make your court a better place to play? The answer is yes, and the possibilities are endless. We're excited to share some of our latest developments.

We've introduced the new HyQ sub-surface irrigation system: a digitally monitored, superior water delivery system — the cutting edge of clay court irrigation. We have a collection of other innovative products currently in the design phase that we look forward to sharing with you soon.

In addition to our industry-leading tennis court surfaces and accessories, Har-Tru offers premium acrylic sports coatings for hardcourts. Our coatings feature 100% organic liquid pigments to ensure the most vibrant colors the industry has to offer. With a high percentage of solids and additional chemical engineering, our Sports Coatings boast a high-yield, flexibility, consistency, and stability. Tennis courts made with our acrylic coatings can be found across the country, and Har-Tru Sports Coatings is the official playing surface of World TeamTennis.

Har-Tru is dedicated to developing products that help you make and maintain the best courts in the world. We love the game of tennis and strive to provide you with everything you need for any court you build.

Sincerely,

The Har-Tru Product Development Team

<b>104-3444</b>	Lynch Pin	<b>\$3.50</b>
<b>104-2704</b>	Handle Only (available in black or green)	<b>\$17.85</b>
<b>104-510</b>	Cleat and 2 Screws	<b>\$8</b>
<b>104-248</b>	PVC Sleeves, fits 2 7/8" Round Posts, 24" L (sold as set)	<b>\$21.45</b>

## ALUMINUM LINE

### HAR-TRU Deluxe Internal-Wind Retrofit Post

100-301 (2 7/8" OD)

**\$445**

Give your court a face-lift! Our redesigned Deluxe Internal-Wind Retrofit Post will slide right over your old rusted and flaking 2 7/8" outside-diameter posts. Are your old net posts set directly into concrete? Have they started to rust and flake? The Har-Tru Deluxe Internal-Wind Retrofit Post can save you thousands of dollars by negating the need to demolish and replace net post foundations during surface lifts and overlays. Available in black or green.

- 40.5" overall length
- 26 lbs

### HAR-TRU Advantage External-Wind Post

100-302 (2 7/8" OD)

**\$403**

**Court Classic. Form and Function.** Our all-aluminum, Har-Tru brand posts blend upgraded durability with a modern aesthetic. The powder-coated finish is beautifully-smooth and the sleek, narrow design, with welded lacing rods, makes the posts all but disappear on the court. Aluminum will outlast any steel post, particularly in the salt air of coastal environments.

- Schedule 80 aluminum
- External reel with removable handle and a ratchet guard for safety
- Durable, powder-coated finish
- Round shape. Sleek, designed cap with pulley and axle
- Available in black or green
- Sleeves not included
- 60.5" overall length
- 37 lbs

### HAR-TRU Deluxe Internal-Wind Post

100-303 (2 7/8" OD)

**\$385**

- Schedule 80 aluminum
- Features the classic round shape
- Powder-coated finish resists rusting and deterioration
- Internal-wind mechanism is completely contained inside the post
- Raise and lower the net rapidly using 1/2" or 19 mm socket wrench or drill
- Available in black or green
- Sleeves not included
- 60.5" overall length
- 37 lbs

## HAR-TRU™ Post Replacement Parts & Sleeves

104-505	Teardrop Cap and Reel Assembly for 301 Post	<b>\$125.75</b>

## Deluxe Heavy-Duty Reel

104-219

**For professional court maintenance.** Features a ratchet guard for increased safety as well as a removable handle.

- Removable handle
- Available in black or green
- Ratchet guard
- 4 lbs

## Deluxe Singles Stick

106-3081

**\$42.50**

Black, all-aluminum singles stick with aluminum cap and foot. Made for professional tournament use to provide a proper 42" net height. Sold as a pair. 3 lbs

## Singles Stick

106-3083

**\$36.25**

Permits correct net height for singles play when using doubles tennis net. Made of heavy-duty 3/8" aluminum with protective end cap on bottom and plastic-protected top V-groove to accommodate net cord. Sold as a pair. 2 lbs

## Heavy-Duty Pipe Anchor

106-201

**\$13.25**

9 1/2"-long, 10-gauge galvanized steel with stainless-steel pin. Includes a drilled hole to accommodate a bolt when putting anchor in cement footing. Most durable anchor available — highly recommended! 2 lbs

USTA  
NATIONAL  
CAMPUS

## Customized Single Sticks

106-3085C

**\$150**

Fully brand your school, university, club, or facility with these fully customizable singles sticks.

Made from premier aluminum which prevents rusting, bending, and breaking, they feature a rubber base to protect your court and maintain its position. There is also a measurement marker on the stick to help assist with placement on your court. Make sure your net is always the right height, while branding your facility on one of the most visible areas on your court.

## Replacement Tennis Net Cable

106-212

**\$30**

- 3/16" steel cable vinyl coated to 1/4"
- 47' L and looped on both ends
- 4 lbs

## Double-Ended Snap

106-215

4 1/2" L

**\$5**

- Double-ended Snap for use with center strap and other court essentials.
- 1/8 lb

## Pipe Anchor Addition

106-202

**\$66.95**

Save time and money. If you have a rusting pipe anchor, we've created a solution for you. 3 5/8"-long stainless steel tube, 1 5/8" OD pipe will allow you to simply cut out the rusty pin and insert the pipe anchor addition. Includes a stainless steel roll pin.

## Tennis Net Repair Cord

106-297

**\$18.50**

- 3 mm braided polyethylene cord
- Approximately 500' L
- 2 lbs

## Anchor Mate

113-502

**\$10.50**

Easiest way to remove and reattach the center strap to the pipe anchor.

# WINDSCREEN ESSENTIALS & BENEFITS

## Function & Form

- Improves visibility and reaction time
- Provides privacy
- Breaks up gusting wind
- Minimizes off-court distraction
- Creates a professional and pleasing experience

## Sizes, Vents, and Opacity

### 6' or 9'

- 9' are recommended
- 6' places less strain on fences and is a good choice where strong winds and/or old, weak fences are an issue

### Vents

- Allow some wind to pass through, reducing strain on fence and fasteners
- Highly recommended for all 9' screens

### Opacity

- Higher opacity means denser weave. Denser opacity is harder to see through and increases privacy. Does not impact strength of screen, but higher opacity will place more strain on your fence.

PLEASE NOTE: When ordering windscreens with vents or windows, you will automatically receive our standard straightline configuration unless you specify differently at time of order. If you prefer a high/low configuration or a different straightline design or placement, you must inform us when your order is placed. Call us if you need a copy of these standard designs and placements or to ask about other configurations.

For all sports fabrics, additional charges apply to specialty cuts, small pieces, and additional heights.

Hems are heat-sealed for maximum strength and durability. All sewing and stitching is eliminated where possible.

Installed in the center of 9' windscreens to reduce wind effect and increase screen durability, allowing for attachment to the fence at top, middle, and bottom.

## Optional air vents are available

<b>499-112HM</b>	<b>\$3</b>
Half Moon Vent	18" diameter
<b>499-115</b>	<b>\$9</b>
Half Moon Vent Bound	7" x 14"

# WINDSCREEN DESIGN CENTER

## The professional way to manage your windscreen purchases online

- Personalized dashboard lets you define, save, and order windscreens.
- Detailed information guides you through selection, measurement, and installation.
- Comprehensive planning tools to design your windscreen from start to finish.
- Keep track of multiple courts in one place.
- Preview the look of logos, vents, colors, or texture.
- Save your measurements to easily access, add, or adjust your information.
- Connect with knowledgeable experts for advice and assistance.

The Windscreen Design Center offers complete instructions for measuring, installing, and maintaining windscreens. It provides users with a step-by-step process for choosing their preferred material and entering their dimensions and logo requirements. Every customer who registers for the site will have their own windscreen dashboard with current and past orders. The data is systematically stored by facility, battery, and court number, making it readily available for future needs, whether it be the replacement of one piece or an entire re-wrap of the facility.

"In tennis, windscreens greatly enhance play. They increase privacy, improve visibility, add shade, and cut down on wind. The biggest challenge with a windscreen is that every order is 100% custom to the facility. With the Windscreen Design Center, we have tackled that challenge head on, making it easier for the consumer to design and order the screens that help them create a better place to play."

– Pat Hanssen, President, Har-Tru

[hartru.com/windscreen](https://hartru.com/windscreen)

# BACKDROPS

COURTMASTER backdrops are used to screen out distractions of players moving between courts as well as to provide backgrounds against which to see the ball. They also provide a physical barrier to keep balls within the court. They are available in a number of colors and weights and are manufactured with high-quality vinyl. These come standard with grommets on the top only.

## Indoor 18 Oz Backdrops

118-80349	Backdrop Without Lead Rope, under 50 sq ft sections	\$1.49 SQ FT
118-803	Backdrop Without Lead Rope, 50 sq ft and over	\$0.99 SQ FT
118-80149	Backdrop With Lead Rope, under 50 sq ft sections	\$1.64 SQ FT
118-801	Backdrop With Lead Rope, 50 sq ft and over	\$1.10 SQ FT

**PLEASE NOTE:** All work is custom to suit customer needs. Additional charges may apply based on customer-specific needs. Some notable upcharges are door flaps and cut outs.

Color Options

**PLEASE NOTE:** All vinyl in our divider curtains, replacement skirts, backdrops, and padding meet the fire-retardancy standard of the California State Fire Marshal (<http://osfm.fire.ca.gov>) and NFPA 701.

## OPTIONAL FEATURES FOR INDOOR VINYL AND DIVIDER NETTING

### Viewing Mesh Panel

Color Options ● ●

114-440	Viewing Mesh Panel over 18.8 sq ft	\$1.41 SQ FT
114-440E	Viewing Mesh Panel up to 18.7 sq ft	\$25 EA

### Viewing Mesh Window

Color Options ● ●

114-443	Viewing Mesh Window over 4.4 sq ft	\$6.19 SQ FT
114-443E	Viewing Mesh Window up to 4.33 sq ft	\$25 EA

### Viewing Net Window

Color Options ● ●

114-444	Viewing Net Window over 4.4 sq ft	\$6.19 SQ FT
114-444E	Viewing Net Window up to 4.33 sq ft	\$25 EA

**PLEASE NOTE:** When ordering Replacement Skirts with Velcro™, please note that our standard procedure is to attach the female/fuzzy part of the Velcro™ strip to the replacement skirt so that it can be attached to an existing divider curtain that has the male/rough part of the Velcro™ strip. If your existing curtain has the female strip and you need us to attach a male strip to the replacement skirt, we must be notified at the time the order is placed, because we will need to reverse our procedure.

## Tennis Master Court Covers

Keep your surface dry during rain or cover for the winter. Made of 6 oz polyethylene with grommets every 3'.

**121-3540** Custom Sizes

**121-3541** 60' x 60' (full court takes 2)

## Padding

**Many padding options are available.**

Give us a call so we can help match your needs to our products.

# YOUR HITTING PARTNER

---

## **BALL GEAR & BACKBOARDS**

- Backboards
- Ball Baskets
- Teaching Carts
- Ball Mowers
- Ball Machines

---

**We are the official supplier of ball gear to the USPTA.**

Our strong line of ball products lets you teach, play, and practice anytime — on your own schedule, with or without a partner.

# BAKKO BACKBOARDS

A backboard that will fit everyone's needs, from budget-conscious to top of the line. The best backboard in the business is also your best value.

**ECONOMY**

## Economy Flat

Visually looks like 8' Flat Slimline series. Designed to compete with those who build wooden backboards. Each panel contains sound-deadening interior (no metal interior frame) and is encased in the same outer fiberglass and gel-coat shell with Imron paint. Three horizontal rows of pressure-treated 2 x 4s (provided) are mounted to fence post.

- Won't rot like other wooden backboards
- Great for court owners, driveways, schools, and parks
- 10-year warranty on backboards; 1-year warranty on paint

<b>135-812</b>	8' x 12' (3 panels)	<b>\$1900</b>
<b>135-816</b>	8' x 16' (4 panels)	<b>\$2545</b>
<b>135-817</b>	8' x 20' (5 panels)	<b>\$3150</b>
<b>135-821</b>	10' x 12' (3 panels)	<b>\$3005</b>
<b>135-822</b>	10' x 16' (4 panels)	<b>\$3965</b>
<b>135-823</b>	10' x 20' (5 panels)	<b>\$4800</b>

## Single Curved Series

Made similarly to the 10' Professional Flat Series, but curved from top to bottom. The advantage of this backboard is that it simulates a tennis match while you still achieve practice, warm-up, and workout. Ongoing studies on Bakko's test courts reveal this backboard is the first choice of players and professionals.

- 10' H panels
- 2 1/2" thickness
- Gentle concave curve
- 10-year warranty on backboard; 1-year warranty on paint

<b>135-912</b>	10' x 12' (3 panels)	<b>\$4345</b>
<b>135-916</b>	10' x 16' (4 panels)	<b>\$5760</b>
<b>135-920</b>	10' x 20' (5 panels)	<b>\$7150</b>

**CURVED**

## Slimline Flat Series

Panels are 1 3/4" thick with correspondingly less interior framework and thickness of sound-deadening material. Each panel is otherwise manufactured similarly to 10'-high professional lines. Panels are pre-drilled so green face bolts attach each panel to metal channel.

- Will not rot like other wooden backboards
- Great for court owners, driveways, schools, and parks
- 10-year warranty on backboard; 1-year warranty on paint

<b>135-712</b>	8' x 12' (3 panels)	<b>\$2735</b>
<b>135-716</b>	8' x 16' (4 panels)	<b>\$3575</b>
<b>135-720</b>	8' x 20' (5 panels)	<b>\$4460</b>

**SLIMLINE**

## Professional Flat Series

Panels are 2 1/2" thick with interior frames dividing each panel into 20 sub-compartments. Each sub-compartment is filled with sound-deadening materials. Panels are encased in thick fiberglass and protective coating. Front edges of panels are sprayed with a high-quality impact-, solar-, and temperature-resistant green polyurethane Imron paint.

- 10' H panels
- Heavy, complex, reinforced metal interior frame
- Encased in thick fiberglass
- 10-year warranty on backboard; 1-year warranty on paint

<b>135-1012</b>	10' x 12' (3 panels)	<b>\$4345</b>
<b>135-1016</b>	10' x 16' (4 panels)	<b>\$5760</b>
<b>135-1020</b>	10' x 20' (5 panels)	<b>\$7150</b>

**PROFESSIONAL**

**Hoag Teaching Cart**

120-9605BK

**\$175**

The most durable basket in the industry just got better! We've always had the best wheels — now we've added new locking wheels. These new wheels allow you to focus on teaching and not on chasing the basket. This basket holds 350 balls, allows you to store your racquets in the cart, and has an easy-locking lid and nice foam handle covers. Easy to assemble. Black only. 40 lbs

**Hoag Teaching Cart Replacement Parts**

<b>138-9827</b>	Replacement Wheel With Brake, 1 3/4" shank	<b>\$11</b>
<b>138-9821</b>	Replacement Wheel Without Brake, 1 3/4" shank	<b>\$11</b>
<b>138-9901</b>	Replacement Wheel Without Brake, 2 3/4" shank	<b>\$11</b>
<b>138-9902</b>	Replacement Wheel With Brake, 2 3/4" shank	<b>\$11</b>
<b>138-9823</b>	Replacement Lid (available in black, green, and red)	<b>\$17.95</b>
<b>138-3130BK</b>	Teaching Cart Divider, black only	<b>\$26.75</b>

**Hoag Ball Mower Gen 2**

120-3200

**Anti-jamming mechanism to eliminate skidding.** The back plate is spring-loaded so that as more balls enter, the anti-jamming mechanism flexes to handle the capacity. Designed to hold up well in a moist, gritty environment. We've redesigned the mower to be more durable. Features an adjustable handle, less noise, and secured springs. All this, combined with our already proven and patented anti-jamming ball-retrieving system, puts this mower ahead of all other ball mowers on the market.

<b>120-3201</b>	Replacement Caster	<b>\$11</b>
<b>309-3207A</b>	Radius Panel Spring	<b>\$1</b>
<b>309-3207B</b>	Radius Panel Pin	<b>\$10.50</b>
<b>309-3201GY</b>	Replacement Basket	<b>\$66.50</b>
<b>324-30</b>	Replacement Wheel	<b>\$19.95</b>
<b>309-3213A</b>	Wheel Clip	<b>\$0.35</b>

**PLEASE NOTE:** Casters are not interchangeable, so please be sure to reference which Gen you have when ordering replacement parts.

**Hoag Ball Basket**

120-291

**\$30.50**

- Holds 85 balls
- Weather-resistant PVC coating helps protect hands and prevents court damage
- Black only
- 6 lbs

**Official Supplier of ball baskets,  
teaching carts, and ball mowers**

## Court Devil Jr.

146-3408

\$1250

This smaller, hand-model Court Devil is designed for maintaining areas along court perimeters and beneath the net line. It is also great for loosening localized hard spots. Weight: 85 lbs

## Court Devil

146-3409

\$1595

Designed to agitate the court surface without removing or damaging existing line tapes, it also helps prevent and break up mineral deposits, mold, algae, and fungus that tighten the court surface. It scarifies the court with circular steel blades mounted on free-turning axles. For best results on the court, add no more than 50 lbs of additional weight. Weight: 105 lbs; width: 48"

## TruFlow Topdressers

124-3069

24" Hand Spreader

36.8" Overall With Wheels Attached

\$950

124-3065

36" Tow Spreader

57" Overall With Wheels Attached

\$2473

124-3066

54" Tow Spreader

79" Overall With Wheels Attached

\$2894

These three top-dressing units offer unmatched performance in distributing HAR-TRU® as well as rubber and other materials for synthetic grass, natural turf, and running tracks.

A 24" hand model will hold up to four 80-lb bags of HAR-TRU® and the 36" tow model will hold eight 80-lb bags, while the 54" tow model handles a whopping twelve 80-lb bags of HAR-TRU®! Simply bolt on the handle and you are ready to start your preseason renovation.

## Tow Scarifier

146-3413

\$999

4' W, 2 rows of nails, 61 nails per row

**Heavy-duty tool for loosening court surfaces.** This model is 4 feet wide with two rows of case-hardened nails. It's heavy enough to allow the nails to really penetrate the surface. This 48"-wide, heavy-duty tow model scarifier is truly a workhorse for loosening the top surface on Har-Tru courts. It is especially good for indoor courts and sunbaked southern courts that have excess calcium buildup. The unit is heavy enough to allow its two rows of case-hardened nails to really penetrate the surface.

- Sized to fit between the alley tape
- Levered wheels lift unit over tapes so tapes can be left in place
- Adjustable tow hitch fits most utility vehicles
- Adjustable steel rails lower nails as they wear down
- Removable steel plate allows for easy nail replacement
- 40D nails: 3/16" diameter by 5" L
- Federal nails for Scarifier

### Replacement Nails

146-3415 50-lb Box

\$189

## Lute/Scarifier

146-3047

30" (5 lbs)

146-3420

48" (6 lbs)

\$70

\$79

The Lute/Scarifier is two tools in one, made of all aluminum for scarifying, leveling, and removing loose granules. It is strong and sturdy, yet light enough to use all day, and excellent for spreading new material during top dressing. The concave shape of the 30"-wide blade allows the tool to "float" along the surface, without grabbing or digging in.

# GATOR RAKES

**Gator Rake: Best tool for maintaining optimal traction**

**Now manufactured by Har-Tru • High quality • Reduced prices!**

Many of today's Har-Tru courts need daily agitation to perform at their best. This is particularly true for subsurface-irrigated courts, West Coast courts, and indoor courts. The Gator Rake line was developed for this very purpose: it's a tool that can be used daily to leave the ideal amount of loose surface for perfect play. The shape and length of the aluminum teeth, along with the weight characteristics of the rake, make it unique to its purpose.

## Gator Rake Pro 72" Tow Model

**146-3684**

Standard Tines

**\$595**

**146-3687**

Staggered Tines

**\$595**

This contractor-grade tool is the heaviest and most durable rake on the market, making it ideal for scarification, top dressing, and aggressive daily maintenance. Weight towers (sold separately) allow you to add weight for deeper surface penetration. 33 lbs

**Best product on the market  
for fence and net lines**

## The Agitator 24" Hand Model Rake

**146-3685**

**\$170**

The Agitator is the best hand tool we have for spot treatment of areas susceptible to moss, weeds, algae, or hardpan. 6 lbs

## 72" Hand Model Rake

**146-3686**

**\$399**

The 72" Hand Model Rake brings the court back to life after heavy play. It's just the right size and weight for members to pull around the court between matches. 16 lbs

## Gator Rake Weight Towers

Weights not included; for tow bar only

**146-3688**

**\$27.95**

Attachment for Tow Version,  
Center Attachment

**146-3701**

**\$24.95**

Weight Attachment for  
Tow Version, Side Attachment

## Gator Rake Replacement Tines

**146-3696**

**\$210**

Standard Tine Cartridge Pro Model

**146-4696**

**\$210**

Staggered Tine Cartridge Pro Model

**146-3708**

**\$120**

7" Tines for 72" Rake (89 Included)

**146-3709**

**\$50**

4" Tines for 24" Rake (29 Included)

**146-3712**

**\$80**

4" Tines for 72" Rake (89 Included)

## Har-Tru Designer Tape

109-602P Punched

109-602U Unpunched

\$352

This Designer Tape is the best line tape you can buy for your court, with its sure-spin feature and unique raised pattern specifically designed to allow consistent ball spin and speed at any angle the ball strikes the tape. It offers easy cleaning, long life, and stability, and will not yellow with age. The webbing is made from the finest synthetics available, and has a pure PVC coating. It is available with or without preformed nail holes. 490' per roll

109-602P | 109-602U

## Har-Tru Classic Tape

109-601P Punched

\$347

The same top-quality webbing and vinyl coating used in our Designer Tape is also the basis for our Har-Tru Classic Tape. It has an even-textured, rubberized coating that combines good ball bounce, long life, and easy cleaning. Available with preformed nail holes. The Har-Tru Classic Tape represents affordable quality in a line tape. 490' per roll

109-601P

## Har-Tru Herringbone Tape

109-603P Punched

109-603U Unpunched

\$339

The Har-Tru Herringbone Tape is designed to ensure consistent ball spin and speed at any angle the ball strikes the tape. It is easy to install, made of long-lasting vinyl, meets specifications, cleans easily, stays white longer, and has preformed holes for nailing ease. It has the same long-life quality as the Har-Tru Classic Tape, but with added texture. The balance of quality construction and player benefits makes the Herringbone Tape the best tape value. 490' per roll

109-603P | 109-603U

## 2" Tenex Designer Raised Tape

109-502U Unpunched

\$360

The Tenex Designer Raised Tape is designed to ensure consistent ball spin and speed at any angle the ball hits the tape. The design also provides a non-slip surface for perfect footing when sliding over the line tape. Tenex tapes are more rigid and ideal for high-play facilities looking to get the most life out of its line tapes.

109-502U

## 2" Tenex Standard Tape

109-501P Punched

109-501U Unpunched

\$354

The Tenex Standard Tape offers the same rigidity as the Designer Raised Tape but has an even, textured finish that is easy to clean throughout the playing season.

109-501P | 109-501U

## 2" Tenex Herringbone Tape

109-503P Punched

109-503U Unpunched

\$349

The Tenex Herringbone Tape is the most popular pattern design. The pattern allows for a consistent ball spin and speed when the ball strikes it. It's also made of the same high-quality webbing as the Standard and Designer Raised dot pattern, ensuring the same rigid, long-lasting qualities as the other designs. The balance of consistent ball bounce and long life makes the Tenex Herringbone Tape a great line tape value.

109-503P | 109-503U

# 10 & UNDER TENNIS AND PICKLEBALL LINES FOR CLAY COURTS

## Temporary Lines

<b>108-3677</b>	36'	<b>\$89.95</b>
<b>108-3678</b>	60'	<b>\$99.95</b>

Our temporary lines come in red or orange to match the balls used on 36' and 60' courts — and to show up sharply against the HAR-TRU® green. The system comes in two pieces attached with Velcro™ and secured to the court surface with just a few nails. One Velcro™ intersection allows you to install the lines without disconnecting the center strap. Nails are included with the lines. 36' lines are 1" W; 60' lines are 1.5" W

<b>108-3681</b>	<b>\$1.25</b>
Temporary Line Rings	
<b>108-3682</b>	<b>\$16</b>
Temporary Line Reel	
<b>108-SUB3678</b>	<b>\$6.25</b>
3" Alum. Nails for QS Lines, 16 Nails Per Set	
<b>110-513</b>	<b>\$9</b>
2.5" Copper Nails, 4 Nails Per Set	

## Tape Stretcher

150-3040

**\$79.95**

The Tape Stretcher ratchet has a 2"-wide slot to insert tape for quick and easy installation of straight line tapes by one person. The leather pad and support strap allow the ratchet to pull the tape straight and taut just above the surface so it can be nailed securely.

## Permanent Lines

108-3679

**\$127.95**

Our permanent lines can be used for 10 & under or pickleball. They are dark green in an effort to blend into the court surface, making it easy to move from tennis to 10 & Under, or Pickleball. 200' L by 2" W

## Tape Layout Cables

150-3032

**\$196.95**

Line tape layout is a snap with the court cables from Har-Tru. One person can locate pivot points and corners quickly, saving time and effort. Instructions included.

## Nails

**110-506** 8-lb Box **\$75.25**

**110-507** 25-lb Box **\$240**

- 2 1/2" aluminum nails (large head)
- 8 lbs per doubles court
- For regular Har-Tru courts
- Available in 8-lb or 25-lb boxes

**110-508** 11-lb Box **\$110.25**

**110-509** 25-lb Box **\$237.50**

- 3" aluminum nails (large head)
- 11 lbs per doubles court
- Great for subsurface-irrigated courts
- Available in 11-lb or 25-lb boxes

**110-510** 25-lb Box **\$313**

- 2 1/2" copper nails (large head) for cinder-base courts
- 25 lbs per doubles court. Available in 25-lb boxes only

**110-3454** 25-lb Box **\$232.75**

- 2 1/2" aluminum nails (plane shank)

## Nail Coils

**PLEASE NOTE:** Nails are sold by the case only but order is entered by 1000s. Ex: Case of 7200 will be entered as 7.2 in the quantity field.

**110-3459** CASE OF 7200 **\$29/M**

Stainless Steel Duo-Fast Nail Gun Nails, 2 1/4"

**110-3455** CASE OF 7200 **\$32.75/M**

Galvanized Duo-Fast Nail Gun Nails, 2 1/4"

**110-3456** CASE OF 7200 **\$43.25/M**

Duo-Fast Nail Gun Nails, 2 1/4"

**110-3458** CASE OF 4500 **\$39.85/M**

SENCO Galvanized Ring Shank Nail Gun Nails, 2 3/8"

**110-3316** CASE OF 1000 **\$168.58/M**

SENCO #316 Stainless Steel Coil Nails

## GROWTH CONTROL

### Cutrine®-Plus

122-3456

**\$37**

Cutrine liquid algaecide is for use in HydroCourt® water control boxes only. The application rate is 7 ounces per each water control box per each application. Applications should be made every four months. The recommendation is for 1 gallon of Cutrine per court per year to deliver the best algae control available. Not available in all states. Cannot ship to the following states: AL, CA, CT, MA, ME, MN, MT, NH, NJ, NY, RI, VT, and WA. Subject to change.

### AlgaeBlaster

162-1000

**\$83**

AlgaeBlaster is a liquid algaecide that contains copper sulfate. Dilute 4 ounces of AlgaeBlaster in one gallon of water. Use a watering can or weed sprayer to apply around the perimeter of your courts and other problem areas that show algae growth. One 2.5-gallon container should cover 3-4 courts. Apply monthly during the rainy season.

Sold only in AK, AL, FL, GA, LA, NC, SC, TN, TX, and VA.

### Har-Tru Maintenance DVD

149-3459

**\$39.95**

The Har-Tru Maintenance DVD set includes three DVDs filmed in partnership with USPTA. The DVDs cover topics from "What is HAR-TRU®?" to the latest in subsurface irrigation, annual maintenance procedures, and step-by-step instructions for topdressing.

## Small Hand Roller

127-3044

\$969

Perfect for the club that needs touch-up work around court edges, patching of low spots, etc. The drum size is 18" x 24" and can be filled with water for a total weight of 320 lbs. The unit is all steel and comes with a scraper bar for removing any buildup on the drum. This roller is a good companion for your heavy-duty court roller. 1-year warranty

## Split-Roll Hand-Tow Roller

127-3045

\$1756

This 24" x 24" hand roller is improved to give the same split-roller action as our more expensive rollers. Dual drums can be water-filled for added weight, yet can turn on the court without damaging the surface. This is the only hand roller that can be towed in ovals with its dual-purpose handle. A scraper brush is included for removing any buildup on the drum. Good roller for those on a tight budget. 1-year warranty

## Tow Roller

127-3073 4' Roller

\$4110.75

127-3067 5' Roller

\$4719.75

The Tow Roller model is an easy-to-use alternative to the power roller. It can be pulled by a golf cart, lawn tractor, or utility vehicle and still offers the same rolling speed and convenience as the power roller. This unit can be upgraded to a motorized roller by adding the power head of the CourtPac Pro as shown on page 35. It comes with a towing tongue, hitch pin, urethane blades, and front and rear court brushes. Shown here with optional auxiliary wheels, it is available in both a 4' and 5' width and has a 1-year warranty.

## Auxiliary Wheels

128-3038 Aux Wheel Kit for Tow Roller

\$746.50

128-3041 Aux Kit for CourtPac Pro Roller

\$625.50

Auxiliary wheels have been designed to ease roller movement over difficult terrain. Leverage handles raise or lower the wheels, lifting the roller off the ground to prevent damage. A heavy-duty locking pin secures the wheels in position. The auxiliary wheels will increase the life of your roller and make it much easier and quieter to use when difficult transporting is required.

Tow Roller shown with optional auxiliary wheels — sold separately

## The Line Master

<b>148-3042</b>	Fine	<b>\$175</b>
<b>148-3042C</b>	Coarse	<b>\$175</b>
<b>148-253</b>	Line Master Hardware Pack	<b>\$8</b>

Features include a curved handle, all-aluminum construction for rust-free outdoor use, positive locking brush action, and a perfectly textured brush for an easy-to-use yet firm brushing action. The angle allows the brush to dig in and remove those hard-to-clean areas that require more pressure. Brushes available with coarse or fine bristles.

## Replacement Brush Assemblies

<b>148-3048</b>	Fine	<b>\$87.25</b>
<b>148-3048C</b>	Coarse	<b>\$87.25</b>

Complete replacement brush assembly for The Line Master with a synthetic brush, axle with nylon sleeves, and springs. Easy to install and requires no special tools. Available in coarse or fine.

## Line Scrub

148-3058

**\$88.95**

**NEW DESIGN**

The heavy bristles break up the HAR-TRU® that gets caked on the tape. The unique aluminum handle gives the needed leverage to make the job easy. New swivel design makes the Line Scrub more ergonomic and low maintenance.

**148-3411** **\$49.95**

Replacement Line Scrub Brush for Non-Swivel Unit

**148-3412** **\$44.50**

Replacement Line Scrub Brush for Swivel Unit

## Aussie Clean Sweep

<b>136-3033</b>	8' Model	<b>\$499</b>
<b>136-3053</b>	4' Model	<b>\$333</b>

This unique combination tool from Australia helps pick up and remove leaves, pine needles, stones, ball fuzz, and other debris found on your court while grooming the court like a drag brush. The PVC tines lift the debris and flip it on top of the unit so it can be carried off the court. Available in 4' and 8' widths.

## ClayTech® Grooming Brush

<b>136-253</b>	Hand Model	<b>\$260</b>
<b>136-254</b>	Tow Model	<b>\$277.95</b>

The ClayTech Grooming Brush is designed to groom the ClayTech surface as well as move the infill particles into a consistent pattern, filling in crevices and smoothing the surface. The coarse, thick bristles scrape and clean the membrane fibers so that infill buildup on the fibers does not occur. This grooming tool leaves the ClayTech surface clean, smooth, and consistent.

## Drag Brush/Lute, 6'

<b>136-3663</b>	Hand Model Fine	<b>\$254</b>
<b>136-3663C</b>	Hand Model Coarse	<b>\$254</b>
<b>136-3050</b>	Tow Model Fine	<b>\$277</b>
<b>136-3050C</b>	Tow Model Coarse	<b>\$277</b>

The Drag Brush/Lute combination has three individual rows of 6" bristles. Two softer, outer rows of bristles move the finest particles of HAR-TRU®, and a third firm, inner row of bristles levels low spots and divots. Turn the brush over and you have a 6' lute, perfect for cutting out high spots or leveling small patches. Every club should have one.

## Drag Brush/Lute Replacement Parts

<b>136-3669</b>	7' Fine Bristle	6" x 7' L	<b>\$47.50</b>
<b>136-3670</b>	7' Coarse Bristle	6" x 7' L	<b>\$47.50</b>
<b>136-3718</b>	Cross Bar	(1)	<b>\$19</b>
<b>136-3672</b>	6' Fine Bristle	6" x 6' L	<b>\$47.50</b>
<b>136-3673</b>	6' Coarse Bristle	6" x 6' L	<b>\$47.50</b>

## Tow Handle

**136-3668** Tow Handle U-Joint and Hardware **\$112.95**

The Tow Handle includes right and left handles, a U-joint, and an S-hook. This setup allows the Drag Brush to be pulled at the proper angle and provides for easy attachment to a utility vehicle. Special knuckle action helps prevent breakage if the brush bumps the fence or net while in tow.

<b>136-3723</b>	U-Joint Kit for Tow Model Drag Brush	<b>\$66</b>
-----------------	--------------------------------------	-------------

We have modified our Drag Brush line to make them easier to use, cause less damage to posts, and more affordable to ship. All 7' models are now 6' in length. All Hand models now have a curved handle. Visit our website for more detail.

## Stainless-Steel Bristle Drag Brush, 6'

Redesigned to allow replacement of bristle blocks. The steel bristles excel at agitating the surface of hardened indoor and outdoor courts with subsurface irrigation. They help break up algae and prevent its formation. Stainless-steel bristles reduce rusting and increase this product's durability.

<b>136-3660</b>	Steel Hand Model	<b>\$497</b>
<b>136-3661</b>	Steel Tow Model	<b>\$525</b>
<b>BRISTE04</b>	Replacement Bristle Block (Need 6)	<b>\$72</b>

## Drag Brush, 6'

The Drag Brush has built-in strength and versatility with replaceable dual 4 1/2" bristles designed to level and manicure your court. Reverse the handle and double the life of the broom. Other bristle combinations are available on special orders.

<b>136-3042</b>	Hand Model Fine	<b>\$195</b>
<b>136-3042C</b>	Hand Model Coarse	<b>\$195</b>

<b>136-3801K</b>	Replacement Handles		<b>\$67.50</b>

HAR-TRU®

# HyQ COURT

## Irrigation evolution: precise, controlled, efficient

HyQ (pronounced High-Que) is a revolutionary sub-surface irrigation system that takes the guesswork out of watering your court. Building on the engineering foundations of our HydroCourt system, HyQ adds layers of technology for a faster, more controlled irrigation and collection of water.

### Water your court faster

The HyQ delivery system waters your court faster so you can play sooner. The surface material and construction allows water to travel the length of the court and spread out quickly. By adding pressure to the system, you can feed the water at varying rates. Water will surface on the court within the first 30 minutes of being turned on.

### Quickly play after a rain

The system also allows faster drainage and access to the court after a rain. With proper maintenance, a HyQ court will shed water quickly off the court through the system beneath.

### Incredibly accurate adjustments

If you've ever fought with adjusting a water valve, you'll love our digital control panel. Adjustments are made within 1/10" — you simply adjust up 1/10" or down 1/10" by pressing a button. Our new water level sensor lets you easily and accurately read the water level. The measuring unit is designed to precisely measure levels of liquid with no calibration needed.

### Durable scrubber valves

Water for your court can come from a variety of different sources, and sometimes chemicals or debris can affect an irrigation system. We've selected solenoid valves with built-in scrubbing devices for extra protection. The HyQ system also allows you to add a filter outside of your control box for even more security.

### Track your court — even from a distance

Our digital control panel makes regulating your court a breeze. In addition, we've developed an app to remotely monitor and adjust your system. With the HyQ app, you will be able to monitor your court from wherever you are. If something needs attention, you can have alerts sent directly to you and others who need to know.

### Economical in every way

Outfitting your court with a HyQ sub-irrigation system decreases your water usage, and at the same time makes it easier and more efficient to control. Stop struggling and sprinkling — and start saving time, water, and money.

# Har-Tru Consulting

**For complete confidence to install, improve, upgrade,  
& maintain your courts, turn to Har-Tru Consulting.**

## **HAR-TRU MAINTENANCE TRAINING & CERTIFICATION**

A two-day certification seminar that will train your staff in every single aspect of effective and efficient court upkeep and construction, from irrigation to fencing to weed control and regular reconditioning. Certificates will be awarded to participants.

## **IRRIGATION SYSTEM DESIGN AND MAINTENANCE**

A survey that identifies your current water system, how it operates, and how enhancements can be made — including recommendations on how to improve operating pressure, gallons-per-minute, general system components, and effective coverage.

## **OWNERS REPRESENTATIVE CONSULTING**

Our consulting service can be invaluable during the critical stages of construction, rebuilding, and reconditioning. We can help you convert your old hardcourts to HAR-TRU®, ClayTech, or HydroCourt surfaces. In addition, we can assist in developing a long-term plan for success, from court selection to installation and beyond.

## **ONE-DAY FACILITY VISIT**

During our one-day facility visit, we'll inspect your courts and consult with you to identify opportunities around spring reconditioning, court opening, daily and periodic maintenance, annual budgeting, and control of operating expenses.

## **COURT ANALYSIS SURVEY**

Har-Tru consultants will check your courts for proper slope, survey court thickness and base material, and examine your equipment, amenities, and irrigation system.

## **LIGHTING ANALYSIS SURVEY**

We offer a full lighting analysis service, including system design, installation, and maintenance. We analyze your existing lighting system, generating a photometric map that illustrates how improvements can be made — from changing bulbs to installing the latest energy-efficient light fixtures.

## HARDCOURT ACCESSORIES

- Sports Coatings
- Water Removers

- Rain Shuttles & Brooms
- Straightliners

- Squeegees

---

**We made history with clay courts. Now we're creating the future of hardcourts.**

Contractors, clubs, homeowners, maintenance personnel, and players have always relied on Har-Tru for premium-quality court equipment and surfaces. That tradition of excellence continues with our new line of acrylic surfaces: Har-Tru Sports Coatings. Check out our hardcourt surfaces and maintenance products.

# HARDCOURTS FROM HAR-TRU

## **PREMIUM QUALITY**

Our products are manufactured with the strictest quality and safety controls. Working with top industry chemists and installation experts, we've engineered an acrylic coating that creates a consistent, durable, high-performance surface.

## **HIGH YIELD EFFICIENCY**

Achieving superior yield is essential for constructing a cost-efficient court. Har-Tru Sports Coatings deliver performance and value through a formula that maximizes yield without sacrificing stability. The result is a sports coating engineered to spread consistently for the best possible surface coverage.

## **FLEXIBLE AND VIBRANT**

All-weather, comfortable, and elegant, Har-Tru Sports Coatings feature UV-resistant pigments in a range of vibrant colors.\* Layered over asphalt or concrete, our acrylic coatings are designed to deliver the right amount of flex for a surface that's consistent and stable.

## Pick Your Color, Build Your Court

Har-Tru Sports Coatings are field tested with experienced contractors to ensure the perfect balance of color retention, yield, flexibility, and abrasion resistance for a beautiful surface that's made to last.

## Standard Straightliner

150-3480

Makes straight lines only

**\$350**

The Straightliner is the fastest and easiest tool to mask court boundaries for painted lines. The tool lays parallel masking tape lines precisely and evenly up to 1 1/2", 2", 2 1/2", or 3" apart. Can use 1"- or 2"- wide masking tape. Includes two easily changeable tape guides to accommodate tape widths. Frame is constructed of black powder-coated steel and the tape holder is made of non-corrosive aluminum. Other features include smooth, non-marking black rubber rollers and comfort grip black rubber handles. The removable 9" pointer guide screws to the front of the base frame. Masking tape is not included.

## Straightliner Plus

150-3471

Makes straight lines and curves

**\$350**

The Straightliner Plus is the fastest and easiest tool to mask curves, circles, and straight lines for court boundaries. The tool lays parallel masking tape lines precisely and evenly 1 1/2", 2", or 2 1/2" apart. For use with 1"-wide masking tape. Frame is constructed of black powder-coated steel and the tape holder is made of non-corrosive aluminum. Other features include smooth, non-marking black rubber rollers and comfort grip black rubber handles. The removable 9" pointer guide screws to the front of the base frame. Masking tape is not included.

## Super Sopper

143-300

7-Gallon Mackerel

143-301

14-Gallon Dolphin

The Super Sopper takes care of total water removal by lifting water from a court using a sponge-covered barrel and straining it into the center of

the porous barrel, where it is held until emptied. The Super Sopper is perfect for courts that puddle in low areas. It can be used on both hardcourts and HAR-TRU® courts. Replacement sponges available.

144-3512

Mackerel Replacement Sponge

144-3519

Dolphin Replacement Sponge

## COURTMASTER Royale™ Sweep

143-3153

**\$83.75**

Great around pools, on driveways, for golf greens

- All-steel, powder-coated white frame
- Comes with 4" blue PVA foam roller
- Also works with 2" PVA foam roller
- Works on any hard surface with no scraping or damage to court
- Produces a 36" sweep that squeezes water ahead of roller unit

144-3151

**\$41.50**

4' Diameter Blue Replacement PVA Foam Roller With Spacers: Replacement Roller for Both 143-3151 and 143-3150

144-3078

**\$2.50**

2" Replacement End Cap

## Mastersweep by Rol-Dri

143-3150

**\$93.50**

Made from tough, durable polyvinyl alcohol, this remarkable seamless roller will outperform any other roller. The nondeteriorating foam is molded directly onto the roller core for a seamless fit to ensure rapid, streakless drying.

## Seamless Rol-Dri

143-243

**\$93.50**

The revolutionary Rol-Dri water remover has a unique "rolling seal" action that continually squeezes water ahead of the roller. Standard size is 36". Weight is 8 lbs. It can be used on both hard and HAR-TRU® courts.

143-208

**\$46**

Seamless Gray Replacement Foam Roller

## Super Squeegee

The Super Squeegee is a contractor tool specifically designed to spread acrylics and adhesives during hardcourt construction and resurfacing. It is the first such squeegee that provides the following advantages:

- An optional back shield, allowing users to simulate different durometers of rubber simply by adjusting the flex of the rubber
- An easily adjusted handle bracket and blade to accommodate different angles
- A 6' handle with adjustable rubber grips for added feel and control
- 50-durometer rubber blade

A solid mounting bracket to eliminate chatter and stabilize the surface blade

<b>143-232</b>	36" Squeegee	<b>\$134</b>
<b>143-246</b>	36" Squeegee With Adjustable Back Plate	<b>\$180</b>
<b>143-210</b>	Squeegee Corner Bracket and Hardware (includes 2 brackets)	<b>\$26.75</b>
<b>144-3460</b>	36" Rubber Blade; 50 Durometer	<b>\$22.25</b>

### Hydro-Mizer Water Broom

142-3042

**\$365**

The new patented Hydro-Mizer Water Broom cleans in less time while using far less water than a commercial hose with sprayer or power washer. This water-saving heavy-duty industrial cleaning tool significantly reduces water use, virtually eliminates runoff, increases productivity, and is easy to use! The Hydro-Mizer Water Broom uses a patented combination of air and water pressure to allow the cleaned area to dry in minutes.

### COURTMASTER All-Aluminum Rain Shuttle

143-3287

**\$162.50**

Redesigned as a superior all-aluminum court drier for more durability. Features improved casters for better mobility and operation, plus a better-functioning blade. Easy to use and store. Won't scratch or mar courts. 5' wide sweep. 15 lbs

**144-3288** Replacement Blade **\$32.25**

**144-3286** Replacement Wheels **\$16.75**

### 9-Jet Water Broom

142-3055

**\$199**

Made of aircraft structural aluminum, eliminating rust and corrosion.

- Durable neoprene wheels will not mark surfaces
- Guards protect brass jets from wear
- Washes up to a 4' path with one pass
- 42" L
- Anodized blue
- 7 lbs

### 36" Heavy-Duty American Water Broom

142-3071

**\$325**

This 7-jet water broom cleans a 36" path on any paved surface. Ideal for tennis courts or any place you clean with a hose.

- Easy to use; just connect the water broom to a standard garden hose
- Cleans in a third of the time with a tenth of the water
- 7 threaded brass nozzles, heavy-duty steel-and-brass construction, double ball-bearing caster, brass shut-off valve
- Shipped assembled and ready to use
- 12 lbs

# ORDER ON THE COURT

---

## COURT ACCESSORIES

- Shoe Cleaners
- Messaging & Numbers
- Court Clock
- Score Keepers
- Cooler Stands
- Valet Baskets
- Court Lighting

---

**The right amenities are more than just a nice addition to your court.**

They show players that you run a first-class facility. Shoe cleaners, score keepers, coolers, and valets: the little things mean a lot. To improve your players' experience, take your court up a notch with our essential accessories.

## Tread Blaster™

147-4000

**\$399**

The Tread Blaster is uniquely designed to remove dirt and grit from your shoes without getting the tops of your shoes wet. A necessity for all facilities with clay courts. Easy to install, all you need is access to water and a hose with a spigot that provides a pressure of 30 to 60 psi. You'll be happy you made the investment.

**147-4103** Shoe Pedal Conversion Kit: Convert your unit to hands-free activation

**\$99.99**

## Har-Tru Shoe Brush

147-3601

**\$66.50**

The Har-Tru Shoe Brush can be attached to the sidewalk or left freestanding. The softer upper bristles dust off the upper portion of the shoe while the stiffer lower bristles scrape topping from the soles. The base is made of heavy-duty carbon steel. The shoe brush is easily cleaned with a hose or soap and water.

**147-3603** Replacement Side Brush

**\$40**

**147-3602** Replacement Bottom Brush

**\$15**

## Tennie Two-Step

**147-3012** Tennie Two-Step With Brush

**\$220**

**147-3046** Tennie Two-Step Without Brush

**\$187**

The Tennie Two-Step has become the industry standard for keeping clubhouse carpets, players' shoes, and tennis club pathways clean. It is a UV-resistant, polyethylene, water-holding basin containing two patented perforated rubber panels designed to force water into the soles of your tennis shoes while you rock back and forth on your feet. The results are noticeable everywhere. Clean tennis shoes mean less HAR-TRU® in the pro shop, on walkways, or in your car.

**147-3011** Replacement Brush

**\$50**

**147-3047** Replacement Mat (need 2)

## Royale Scorer

139-3472

\$24

The Royale Scorer is a small, affordable scorecard that rests inconspicuously on the end of the net. It fits in a tennis bag, yet has scorecards large enough to be seen from anywhere on the court. The Royale Scorer comes with its own carrying case. Includes numbers 0-9.

# IMPROVING THE INDOOR TENNIS EXPERIENCE

Sports Interiors has 30+ years' experience owning, managing, and helping athletic facilities to improve the indoor sports playing experience through implementations of our LED Lighting System and Liner System that we apply to ceilings and walls. We have conducted hundreds of implementations across the country where Sports Interiors leverages its experience in the construction industry with our project management expertise to deliver an efficient implementation process. We are focused on delivering quality results for your facility renovations or new construction project that are efficient, cost-effective, and allow for minimal disruption to day-to-day operations.

## The 4 Key Areas to Consider at Your Facility

### Lighting

Are your current lights bright enough? What are the light levels?

### Liner System

A highly reflective and durable liner can improve the aesthetics and efficiency of your facility.

### Implementation Process

How long with the installation take? How much work will your provider offer? How much will be left to you?

### Tennis Surface & Court Supplies

How recently were your courts resurfaced? Are you in need of new tarps and nets?

Sports Interiors works across the United States with clubs and facilities of all sizes and budgets to improve the indoor sports experience.

\$14.50

## TruScore Scorekeeper

139-3500

\$69.95

The TruScore Tennis Scorekeeper has revolutionized tennis scorekeeping.

- Solid nylon rings eliminate flimsy metal rings
- Tiebreak bar indicates when players have gone into a tiebreak
- Next card numbers allow players to view the next numbered card
- First Serve bar indicates what game players are in

## COURTMASTER Court Valet With Basket

129-260

\$69

Convenient valet tray and basket for the tennis court. Tray has hooks for towels or jackets plus a sturdy aluminum molded bracket. Tray provides a handy place for players to put beverages, ball cans, wallets, etc. Fits up to 3 1/2" round or square net post. 16" H. Available in black or green. 6 lbs

## HAR-TRU Cooler Stand Complete

119-3100BKK

5 Gallon Kit

\$270

Before you dig up your tennis court to add the convenience of a water fountain, consider the inexpensive alternative of an attractive courtside water cooler. This insulated cooler is lightweight and ready to serve ice-cold water or any sports beverage. This unit also includes a tidy basket, cup dispenser, and 600 cups. The unit comes with a pedestal stand, available in black or green. Replacement coolers, stands, baskets, and round cup dispensers are available. 30 lbs

## Tidi-Court Court Organizer

129-5001

\$57

This court organizer keeps everything in its place. It has a convenient valet tray for wallets, keys, etc.; out-of-the-way hooks for towels and jackets; a trash can; and indented holders to eliminate beverage spills. Available in black or green. 9 lbs

## Water Cooler Station

132-3900

\$139

- Suitable for both outdoor and indoor use — made from naturally weather-/water-resistant Acacia hardwood.
- Durable and beautiful too! Acacia hardwood has a beautiful woodgrain and vibrant, rich color that will complement any facility.
- Strategically located waste bin catches spout spillage and keeps your floor or court clean and dry. It also allows for easy disposal of discarded cups.
- Excellent stability is provided on all surfaces by the tri-leg design.
- Easy assembly (8 screws) with supplied hardware and tools.

## VUE Tennis: The Evolution of Tennis Court Lighting

We know how challenging it is to light a tennis ball spinning fast above a court. That's why Har-Tru has teamed up with NLS Lighting to introduce a cutting-edge LED system designed specifically for tennis.

### WE'VE COME A LONG WAY

LED fixtures have caught up to and surpassed standard halide fixtures. Modern LED fixtures cost less to own and less to operate. They are nearly maintenance free, last longer, save energy, and, when designed correctly, can evenly light a whole court.

### DESIGNED SPECIFICALLY FOR TENNIS COURTS

Designed by a nationally ranked tennis player and lighting engineer, **VUE Tennis** features a patented reflector that achieves strong, uniform light levels even at ten feet or more above the court surface — where the ball is traveling much of the time. VUE's LED fixtures are recessed deeply into their housing, reducing glare on the court while delivering more light more evenly to more places on the court.

### SAVES TIME, MONEY, AND MAINTENANCE

Installing VUE Tennis is easy. Just take down your existing fixture and put a new one in its place. There's almost never a need to change arms or poles or your entire system; instead, you simply replace the light fixture head.

LEDs are extremely energy efficient. They come on instantly and are dimmable, so you determine how much light and energy is being used on a court at any time. Once installed, VUE Tennis can run for decades with virtually no light loss and no maintenance needed.

VUE Tennis is a low-profile and beautifully designed fixture that blends with any club or residential setting. This breakthrough system is designed to maximize light, minimize glare, reduce shadows, and create better performance — all with much lower energy and maintenance costs.

10-year warranty

#### Financing Available

# TAKE A SEAT

---

## COURT SEATING

- Benches
- Umpire Chairs
- Cabanas

---

**We have a variety of seating choices to round out your court.**

It doesn't seem like that many players sit down on change-overs, but the moment seating isn't available, it's sorely missed for that occasional shoe tie or as a place to put your gear. We offer a range of hard-working, attractive designs.

## Courtsider Court Bench

130-3230

This is the third generation of our Courtsider, with added comfort and strength. Weatherproof, lightweight, and ideal for courtside, poolside, patio and golf tee area, and public or private parks, with five vertical "I-Beam" supports and 100% solid PVC coloring compounds used throughout. The best UV-inhibiting, fade-resistant materials available are used in the compound. (If subjected to year-round intense sunlight, as in Florida and other southern states, some fading may occur over time.) Bolt holes in bench legs secure it to solid surfaces for theft prevention. White or green. 5' L. 35 lbs. 2-year manufacturer's warranty

1-5 qty **\$188** 6+ qty **\$162.75**

## Multi-Purpose Bench

130-3231

Great for outdoor use. Impervious to the sun. Solid legs can be bolted to any hard surface. Multichambered slats provide comfort, with curvature making sitting easier. 6 1/2' L with three feet. White or green. 45 lbs. 2-year manufacturer's warranty

1-5 qty **\$306.75** 6+ qty **\$265.50**

## Deluxe Courtsider Court Bench

130-3243

Great for outdoor use. Impervious to the sun. Solid legs can be bolted to any hard surface. Multichambered slats provide comfort, with curvature making sitting easier. 5' L. Available in white or green. 45 lbs. 2-year manufacturer's warranty

1-5 qty **\$241.50** 6+ qty **\$208.75**

## Custom Logo Court Bench

130-3301

**\$1195**

These custom-fabricated logo benches are powder coated in your custom color and feature custom laser-cut logos on the steel plates, which are visible from the front or back of the bench.

Features steel feet with non-marring polypropylene base to evenly distribute the weight on the court, and the option to include a heavy-duty umbrella holder directly behind the center of the bench. They come in apex design and in 4, 6, and 8 ft. lengths. Fully assembled: 175 lbs

## Royale Deluxe Umpire Chair

132-3601GN

**\$679.50**

- Aluminum frame
- Powder-coated finish
- Comfortable shell-shaped seat/UV-resistant
- Writing desk included
