Winter Foam Hand Sanitizer Refills

PJ PART NO : FD1-0004W

Winter Foam™ Hand Sanitizer is a great way to enjoy a worry-free winter and add revenue! PROS Choice Winter Foam™ Hand Sanitizer Refills not only stop the spread of germs (up to 99% of germs on hands, including E. coli and salmonella), but also resist freezing (alcohol-based).

One of the many advantages of PROS Choice Foam is the substantial savings in product usage over many gel or liquid soap. PROS Choice Foam delivers approximately twice as many dispenses per refill as most bag-in-box gel or liquid products. In addition, foam stays on the user's hand, whereas gel or liquid often slides off and becomes a messy waste. What makes Winter Foam even better is that you can use it all winter long.

FOAM HAND SANITIZER REFILLS

Foam Hand Sanitizer Refills

PJ PART NO : FD1-0004

Hand sanitizing is a great way to add revenue! PROS Choice Foam Hand Sanitizer Refills not only stop the spread of germs (up to 99% of germs on hands, including E. coli and salmonella), but also save money over traditional gel.

Hand sanitizing is a great way to add revenue! PROS Choice Foam Hand Sanitizer Refills not only stop the spread of germs (up to 99% of germs on hands, including E. coli and salmonella), but also save money over traditional gel.

CKHS0004 Alcohol Gel Sanitizer Case (4 Gallon) \$249

Accessories

Foam Dispenser

- The Foam Hand Sanitizer Dispenser is designed for foam refills, mounts easily to side walls, and comes pre-assembled. Additionally, foam stays on the users hand whereas gel or liquid often slides off and becomes a messy waste further increasing usage.

\$15.49 MSRP + Shipping

Part No. FDI-1000

Soap Dispenser

- Our completely sealed soap dispenser will not spill even if you tip it completely upside down. With O-ring and lid that secures to the container and backing plate you will never have this falling off or spilling your soap. This dispenser has easy one hand operation with clear container to view soap level.
